

WE NEED YOU - we are currently recruiting volunteers for two very important committees at Springwood - if you are enthusiastic, share my love for Springwood and want to help us prosper this is the time to do it.

### ENTERTAINMENT COMMITTEE

Help plan and manage Springwood social events including Opening Weekend Food Truck Festival and Open House, DiveIn Movie Nights, Teen Nights, family parties, carnivals, adult social events, holiday activities, arts & crafts and more. You must be willing to commit to chairing a minimum of one of events which will include overseeing the planning, promotion and all event activities.

### FACILITY USE COMMITTEE

Springwood is available for private events and parties on days when it is not open to the membership, and to member hosted private parties during the season. We are seeking volunteers to help drive marketing into the local community include, to publicize this and to help manage and organize these events. These will be among other things, ensuring that Facility Use Agreements are in place, that the Board and club staff are aware of upcoming events so that they are properly staffed, ensuring that payments are made on a timely basis and that all individuals or groups booking an event at the Club understand and comply with the terms of the Facility Use Agreement.

season. We community include, that the

basis and that

### THE COMMITMENT

The time commitment you make is up to you. There are opportunities for everyone. The more you do, the more Work Bond Credit and guest passes you earn. However, we do need you to commit to attending planning meetings once a month during each of March, April and May so that we are fully prepared before Memorial Day weekend. These will be scheduled at the convenience of the volunteers on each committee.

If you are interested in one or both of these very important committees, please let me know by email to [admin@springwoodswimclub.com](mailto:admin@springwoodswimclub.com).

As always, thank you for your commitment to and support of Springwood Swim Club.
